Dear Herski:-

Glad to see you are still at Camp Carson and sure are thrilled you like the watch.

Did you write to Caly and thank them all too. If not you had better.

Flo I sent the other package so tell Flo you appreciate it

Uncle Jake Plotkin is coming in today so he will be at the dedication for grandpa

What does
ASN
stand for?

Sunday. Lester P is also
coming in so he can
see his dad at the same
time.

There isn't much that is
happening around here
as the weather is so
hot + humid 95° to 100°
that we stay pretty close
to home.

Write when you can
and God Speed the War
and bring Peace so we can
all be together again soon

Love
Jack + Ben
