Dear Mother, We have been fortunate as far as the weather goes. February has been a mild month, and although March has brought its cold winds, spring is at least in sight. I am in good health, as usual. In fact I am feeling much better than I have in the past. Norman and I make a habit of doing some beneficial exercise each day to help improve our bodies. We also do a lot of reading and so make good use of hours that used to drag by. In two days Norman has a birthday which we intend to celebrate by making a cake. Wait till you hear about the cooking we've

done here, you'll laugh out loud. Give my best love to all the family. Keep smiling and take the best care of yourself that you possibly can. I'll close with regards to everyone and all my love to you. Hershey
