(Army Serial Number)

CASUALTY BRANCH
THE ADJUTANT GENERAL'S OFFICE
Washington 25, D. C.

27 May 1945.

The accompanying 15-word message was filed in Europe for transmission by Army radiotelegraph facilities. However, due to the huge number of such messages filed by liberated American Military Personnel it became evident that faster delivery could be effected by sending the overload to the United States by air for mailing from Washington. The attached message was handled in this manner.

1 Incl.
