

May 31

Dear Mrs. Swings,

Yessy be! I was

never so relieved in my life. We
were almost in despair. Thanks
so much for letting me know.
I, too, have gotten off a letter
to Bob with the good news.

I have had no letters from
Bob since I wrote you last and
he had had no mail since he
went to England. He may be
back in France again.
Wouldn't it be wonderful if
Hershel + Bob could meet
over there! Things like
that do happen and Bob is

working in that military control
division. I hope that Kirsh
is already on his way home and
that you may see him soon.

I can imagine that you all
feel that you will never ask
anything more of life - now that
he is safe - such a relief it
must be.

Still nothing from Arnold.
It will be nothing short of
a miracle if all three could
thronger...

Thanks again for writing
me and I shall look forward
to hearing what Kirsh has to
say for himself!

Sincerely.

Edith M. Hall
