

5 July 45  
7th Gen. Hosp.

Dear Mrs. Swiryn,

I received your June 8, 11, & 12th letters yesterday. Our mail is rather messed up - as usual.

I haven't seen Herb as you probably know by now. If only the letters had gotten to me - I could have dashed in to London & left a message or called up & and left one. This Hosp. is in London's out-skirts and I'm sure we could have gotten together. It was too close to realize.

I'm saving the letters, in hopes I can give them to Herb personally soon. If I miss him in the States I'll send them, but I'm going to try my best to see Herb one way or ~~any~~ another.

I'm still waiting for the boat and to a jumpy process. I'm still a bit anxious about going ~~to~~ home and with my nervous energy I run out of things to

do - but it shouldn't be long now.

I have Pappas's home address in New York & hope to drop in on him - if I leave soon enough.

Herb ought to be home or almost home by now - be sure and say hello to him for me and tell him to write to my home address, as I should be there within a month.

I'll get a fulough and I'm going to do my best to get to Herb. I'll will keep writing till I leave & have hopes that won't very long.

Sincerely Bob

P.S. My Mom wrote that Herb said he was in good Phy. condition. I'm very glad to hear that - believe me
